

MATADOR®

PROFESSIONAL

THE GLOVE FOR THE BEAUTY SECTOR (Hairdresser, Spa, Tattoo)

MATADOR® RE-USABLE GLOVE:

- ✓ Skin friendly, powder free, re-usable latex glove with synthetic inner lining
- ✓ Comfortable fit and perfect grip
- ✓ Drip protection due to extra length and rolled rim

MATADOR® SINGLE USE GLOVE:

- ✓ Skin friendly, powder free nitrile glove for single use
- ✓ Free of latex proteins and plasticizers
- ✓ Extra thin for extraordinary tactile and temperature sensitivity

MATADOR® PROFESSIONAL – PERFECT PROTECTION, PERFECT GRIP.

Matador® re-usable gloves have been developed for the professional beauty sector and designed to meet the needs of cosmetic service providers. The synthetic inner lining guarantees high wearing comfort whereas the glove's textured outer structure ensures best tactile sensitivity.

PRODUCT INFORMATION OVERVIEW:

- ✓ fit for tireless working due to the fully anatomical shape
- ✓ perfect for handling liquids due to extra length and rolled rim
- ✓ easy to don and remove due to the patented inner lining
- ✓ better tactile sensitivity and safe grip due to the textured surface
- ✓ hygienic and practical separate packaging
- ✓ opaque brown colour
- ✓ available in 6 sizes
- ✓ re-usable
